

Dear Parent / Guardian,

The Open University is organising a series of Saturday morning mathematics masterclasses, to take in the autumn term 2014. These classes are **free of charge**, and your child's maths teacher has nominated your child to take part.

The masterclasses will be held at Bletchley Park on the following Saturday mornings (10:00 – 12:30) in 2013:

4 Oct 11 Oct 18 Oct 8 Nov 15 Nov 22 Nov

The masterclasses are aimed at pupils who will be in Year 9 in 2014/15, and who are mathematically able, have potential and interest in the classes. More information may be found at the website http://mcs.open.ac.uk/RI_MasterClasses.

If you would like your child to attend, please complete the form below and return to me as soon as possible (address on the form).

I do hope you will encourage your child to take advantage of this opportunity. Please note that one of the aims of the masterclasses is to expose children to mathematics outside the school environment. Therefore, once we receive completed application forms, we write directly to the pupils (not parents or teachers) to let them know if they have been allocated a place.

Yours sincerely,

Dr G R Williams
Department of Mathematics and Statistics

Occasionally we take photographs at masterclasses (used, for example, to help obtain funding for subsequent masterclasses). The Royal Institution may also use these photographs for publicity and reporting purposes, and they may appear on the Ri website. Your child will not be identified by name. Please tick here if you consent to this.

Parent's E-mail.....

I confirm that my son/daughter is interested in attending the Saturday morning classes and if he/she is invited I accept responsibility for his/her travel both to and from the Masterclasses each Saturday. I have read the information at http://mcs.open.ac.uk/RI_MasterClasses/Bletchley and am aware this is the only place to find notice of cancellation of any masterclass.
